

/home/bergony/lp_magos
/include/maze.h

```
graph TD; A["/home/bergony/lp_magos  
/include/maze.h"] --> B[iostream]; A --> C[vector]; A --> D[bitset];
```

The diagram illustrates a dependency or inclusion relationship. A central box at the top contains the file path `/home/bergony/lp_magos/include/maze.h`. Three blue arrows originate from the bottom of this box and point downwards to three separate boxes. The leftmost box contains the text `iostream`, the middle box contains `vector`, and the rightmost box contains `bitset`. All boxes have a thin gray border.
